Digital communicator

About me

Driven and structured digital communicator from Sundsvall, with broad experience of social media, web, newsletters and content production. Used to working with digital communication both strategically and hands-on, running web projects and developing social media strategies. Also experienced in employer branding in close collaboration with HR, and in following up and optimising communication to strengthen the brand, engage the audience and deliver results.

Education

Mid Sweden University — 2019–2022

Bachelor of Arts in Media and Communication Science – Communications and Public Relations Programme

- Strategic work with organisations' internal and external communication.
- An assignment for Njurundaföretagarna with a new communication plan. The work resulted in a new logo and visual identity, which the organisation implemented.

Work experience

Boneo — Mar 2025 – Apr 2026

Interim Digital Content Manager

- Handled interviews and paid marketing for some of Sweden's largest estate agencies, such as LF Fastighetsförmedling, Bjurfors and HusmanHagberg.
- Responsible for all articles, newsletters and social media posts, and coordinated content partnerships with affiliated estate agents and agency chains.
- Developed Boneo's content plan and strategy based on the company's goals and SEO.
- Supported with material and copy for press releases and presentations.

Svedea — Nov 2023 – Nov 2024

Interim Social Media Manager

- Developed channel strategies and was responsible for 15 social media accounts, one for each insurance area.
- Managed comment sections, with a focus on professional communication that builds trust, in a sensitive subject area.
- Tracked trends and created content tailored to each insurance area's audience, including competitions, trade fair appearances, quizzes and tips videos featuring subject experts.

Nilar International — Aug 2022 – Nov 2023

Marketing Assistant

- Led a website project from initial planning to launch in close collaboration with an external web agency, responsible for the budget and for decisions on layout and design.
- Produced communication materials, including product sheets for trade fairs.
- Managed social media content, developed the company's employer branding in collaboration with HR, and produced press releases.

Bilbolaget — 2021

Internship, marketing department

- Produced video content with salespeople from Volvo and Dacia.
- Collaborated with a digital agency on website development, including building and publishing pages in WordPress.
- Campaign development and press communications for "Test Drive at Night".
